

ECS Summer Reading Project

In an effort to continue learning through the summer months, each student of Emmanuel Christian School will be expected to complete at least one book during the summer vacation. Each student will be tested on this book the first full day of school. This testing will take place in English class.

Each grade level will be assigned one book that MUST be read. Students are encouraged to read as much as possible during the summer months, but will only be tested on the book assigned to their grade.
